To whom it may concern

As a Software developer graduate at CTU Training solutions based in Potchefstroom, I am writing to express my interest in the position you are offering at your company. I am looking for a company where I can grow in a professional environment with experienced developers.

My knowledge on development languages stretches to a wide variety including, C#, Java, C++, C, Html, Css, JavaScript, and Python. I am also looking to build some experience and further my knowledge as a developer.

I have a solid educational foundation and a passion for furthering projects that build loyalty and in turn grow revenue for your organization. I would much appreciate the opportunity to contribute to you're on growing growth and continued success.

Thank you for your consideration.

Sincerely,

Zander
